

LIGHT ME UP.

lyric & music: Henrik Rapp

1.

First day of fall and I don't give a shit about it
I don't give a shit if they call me fat or lazy
Blow a bomb or build a wall again
I cannot help it but I do not care

2.

I have muted the soundtrack of my life
Nothing is free, I'm learning day by day
I have a small amount of stones in my pocket
I roam the streets by night

PRE-CHORUS:

You light me up in a new guise
I follow you they follow me
Thought I am nothing big to offer you
Please count on me

CHORUS:

I'll clear my schedule
Every day if I can be with you

I'm not going anywhere
So don't pretend that I'm gone

3.

It feels like I've started walking on my hands
The leaves aren't falling to the ground
I didn't think I could love someone like you
I'm not supposed to lead this dance

BRIDGE:

Correct me when I'm not good enough,
Tell me when you think I'm not on your side

I'll try not to back out of the intersection,
I'm walking in your footsteps by step up the stairs

PRE-CHORUS:

CHORUS:
